

CLIMATE SUMMIT

SEPTEMBER 28, 2017 | CALGARY

ATTENDEE PACKAGE

Alberta Climate Summit – Know before you go

We are thrilled that you will be joining us on September 28 at the Pembina Institute's 2017 Alberta Climate Summit in Calgary, Alberta. We have included here all the important information you need to know to have a great experience.

Venue

BMO Centre, Palomino Hall - Calgary Stampede Park
20 Roundup Way SE

Click [here](#) for directions to the BMO Centre.

Registration

Once you arrive on site, please check in at the Registration Desk to pick up your name badge. The Registration Desk is located outside of Palomino Hall, and will be open throughout the event should you require any onsite assistance.

Event schedule

7:30 – 8:30 a.m.	Registration + Networking (Coffee and tea provided)
8:30 a.m.	Opening Remarks + Welcome
12:00 noon	Lunch
4:30 p.m.	Closing Reception

You can also find a more detailed agenda, speaker biographies and sponsor information on our [website](#) as they are finalized.

Closing reception

Following the summit there will be a reception and cash bar, at the same venue in the Palomino Foyer (at the BMO Centre) from 4:30 to 6:00 p.m.

Getting here

Transit: The BMO Centre is accessible via Calgary's (C-Train) light rapid train line via the Victoria Park Stampede Station stop. For other convenient transit options use the [transit trip planner](#) and enter your destination as "Cowboys Casino."

Biking: There are bike racks located at the corner of 12th Ave SW and Olympic Way.

Parking: Parking for the BMO Centre can be accessed from 12th Avenue at 3rd Street (Lots 10 and 11). Standard parking fees are in effect. For more information on parking, please click [here](#).

A map to the BMO Centre at Stampede Park can be found on the next page.

Dress code

Business casual or business attire is suggested for attendees throughout the event.

Green action

We invite you to bring your travel mug to reduce waste and conserve water.

Photography

Photos will be taken during this event with the intention to capture the overall environment, partner interactions, and a theme of collaboration and innovation. Individual participants will not be identified by name or organization in photos or video without permission.

Stay up to date

We encourage you to visit the [Pembina Institute](#) website where you can view our latest blogs that capture pertinent discussion relating to summit topics such as [climate policy](#), [renewable energy](#) and [energy efficiency](#) issues.

Join the conversation!

We also encourage all summit participants to join the conversation on social media using #ABClimate and @pembina. We will be using this hashtag on twitter during the event to collect questions.

The Climate Summit will be using [Slido](#) to crowdsource questions from the audience during the day.

A list of summit attendees (who have agreed to share their name) is included in the following pages.

Finally, we would like to thank our sponsors for their generosity. Their support makes the Pembina Institute's 2017 Climate Summit possible.

See you on the 28th!

the Pembina Institute team
