DON’T MISS unGALA 2022!
The Pembina Institute’s unGALA will once again be held in June 2022. After a one-year hiatus due to the COVID-19 pandemic, we’ll all be ready to get together, put on our cowboy hats and celebrate the power of a clean energy future that drives a prosperous, connected Canadian economy. For more than a decade now, the annual Pembina Institute unGALA gathers leaders in government, industry, academia and non-governmental organizations, all committed to developing evidence-based, practical solutions to Canada’s greatest energy challenges. It’s called the unGALA because it’s an unconventional party, beloved for the casual atmosphere and western attire.

The night will be full of delicious eats and plenty of networking with Canada’s who’s who of the sustainability sector, so be sure to secure your 2022 sponsorships early!

All 2022 unGALA sponsors will have access to all of the Pembina Institute’s virtual events in 2022, and all applicable sponsorship fees are risk-free – if for any reason the event cannot be held in 2022, all sponsorships are eligible for a refund, or sponsors can choose to convert their sponsorship fee to a charitable donation to the Pembina Institute.

ABOUT THE PEMBINA INSTITUTE
We gather leaders in government, industry, academia and non-governmental organizations, all committed to developing evidence-based, practical solutions to Canada’s greatest energy challenges.

Our more than 50 staff in Ontario, Alberta and B.C. aim to deliver clean energy solutions into the hands of decision makers, thought leaders, the industry and media. Although we’re a hard-working, strategic and productive bunch, it’s still a tall order for a team of our size. We don’t do this alone! Our success ultimately depends on people like you.

By supporting the Pembina Institute, you are helping transform Canada for the better.
