

Disrupting the Parcel Industry

ShipperBee™

How can we do this differently?

Be the **first-of-its-kind** end-to-end delivery service that **transforms the way** parcels are moved throughout North America.

Secure node
network of
transfer “Hive”
mailboxes for
parcels.

Leverage **'Power of
While'** driving with
vehicles **already on the
road.**

**Fast, efficient, and
produces far fewer
carbon emissions
73.1% less.**

**No Hub and spoke
Power of while**

Value for All
