

Call for Exhibitors

2025 Renewables in Remote Communities Conference

The Renewables in Remote Communities conference is being held from March 25-28, 2025, in Whitehorse, Yukon. The event is attended by approximately 350 people. A tradeshow opportunity is available **from Tuesday March 25 to Thursday March 27**, to showcase your organization's contributions to clean energy in remote communities. Community clean energy leaders, industry, and government representatives are invited to participate in the exhibit to share project progress, network, showcase relevant technologies, and more.

What is offered:

- Set up on Tuesday March 25 from 9AM to 3PM at the Kwanlin Dün Cultural Centre lobby.
- Tear down on the afternoon of Thursday March 27.
- Booth space, power, wireless internet, table 6' x 2', and 2 chairs.
- One exhibitor pass which includes full conference access.
- Exhibition Space tear down time from 2:30 p.m. – 4:30 p.m. on March 27th, 2025.

Registration Process:

- Deadline: Exhibitor registration starts from September 10, 2025 to February 24, 2025. Full payment due upon registration in order to secure your space.
